INTEGRA: MODULAR BATHROOM FURNITURE

Fully Fitted and Free-Standing Furniture

PERLA Integra Modular Bathroom Furniture transforms a bathroom with beautiful and highly practical storage solutions which integrate all the sanitary wear and pipework of a bathroom..

Integra is a bathroom furniture range which offers the choice of either integrated or free-standing models with a range of cabinets and matching tops.

Featuring a wide range of the latest finishes, Integra includes a number of features which you will come to appreciate including sleek contemporary lines with large easy to clean surfaces combined with spacious storage for the ultimate in practicality.

The fully fitted range includes a selection of slimline cabinets designed for cloakrooms and en-suites as well as a wide range of standard cabinets which integrate to form a beautiful wall of fitted furniture and tops.

Fitted cabinets are designed for use with semi-integrated basins which combined with laminate tops create a long-lasting durable surface which will keep its good looks despite hard use in a family bathroom.

Tops are manufactured in durable laminate to match the front finishes and a range of matching upstands and splashbacks are also available.

Perla Bathroom products offer the highest standards in quality, performance and are manufactured in the UK to exacting standards.
